

**THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS**

This **Tuesday morning** the residents from Stanford Place will be here, please contact Ben Thomas 951 0098 if you can come for a couple of hours. Your help is very much needed.

Everybody who has signed up for the **Monday afternoon Mixed Pairs Fun League** please be at the club about 12-30 pm for today 23 August, which is the first day. We will do a draw for teams and collect \$2 per player. We are still short one more man so if you can play Monday afternoons please come along. Going by the sign up list some of the MIXED pairs will be two ladies but I guess that is OK just for a fun league; and well done ladies for a good turnout.

We are planning a **new** event for September that we have not done before. It will be a Mixed Fours club tournament (Sept. 18th & 19th) so look out for the poster and details at the club. We see this as an opportunity for newer bowlers to try out the Fours format as a possible entry into tournament play and we hope all our members will come out in support. We would like at least 48 players to make this an interesting challenge so please sign up ASAP so we can get a count (64 players would be great and we can always find room for more).

The annual **Parksville/Qualicum Challenge** match will be held on Thursday, August 26. The morning half of this home and away game will be at Parksville. The teams will be posted on the bulletin board and skips will also be informed. Please note that the event is on the calendar and there will be no Men's Bowling on Thursday morning. The greens will be open as usual for the afternoon draw and the evening fun league.

The **Jack and Jill** is coming up in September. This is a mixed pairs event and it is our tradition that the lady asks any man, (**no wife and husband teams allowed**) and they sign up as a team. So ladies don't forget to get your team lined up! Expect the sign up sheet next week.

The third Annual **Cowichan/Parksville Interclub "Friendly"** is scheduled to take place in Duncan on the 21st. September. This is an advance notice because the event does not appear on the Club calendar. A sign-up sheet and further details will be posted at the club for this popular event, which will take place this year in Duncan. *Games Committee*

I would like to personally thank each and everyone who answered the call and marked for the PLBC Men's and Ladies Singles. Over 70 games required markers and you all did an amazing job! Bravo -- *Sandy Taylor*

**Helpers needed** for Thursday's Qualicum Challenge, servers, clean up etc. We need help as there will be approximately 65 people for lunch. Also a **call for baking** as we have nothing left and there are still more events to come. Please come out and lend the kitchen a hand, men also welcome. Thanks Lynn

### **Buy & Sell:**

**For Sale:** Taylor Made Bowls, Size 1 heavy, including bag \$150.00. Contact Harry Rose at 248 6230.
