Jack & Jill: This tournament traditionally involves 32 teams playing over two days. This year there are already more teams signed up than there are places available. To accommodate these and additional teams, we could have extra draws on Thursday. If you are interested in entering and have not put your name down, please do so as soon as possible and we will try and include you. Ladies get your Man!! *Games Committee*

Calendar Changes:

The **Stanford Place Visitation** date has been changed from the Sept. 21st to Tuesday, **September 7th**. Once again we will need lots of helpers. It is a very satisfying and pleasant way to spend a couple of hours with our Stanford Place neighbours. Anyone can help, no experience necessary, please volunteer. Contact me at 951 0098 Thanks, Ben Thomas

The Sept 6 **Labour Day Special** is cancelled and the Monday afternoon Mixed pairs League will play that day instead.

The last nights for the **MacNaughton's** are: Ladies 31st August and for Men the 1st September. Also the last night for the Rotational Triples is 2 September.

Cowichan Visitation: The sign up sheet for our annual fun challenge, Tuesday, Sept. 21st, in Duncan, will be posted this afternoon, Monday. This is a great way to bowl in a fun event at another club. This year it is our turn to visit them. Lunch will be available. Everyone is welcome, just put your name down and we will arrange the teams. *Games Committee*

The **Zone Singles** will be held this weekend in Port Alberni. Come and support our Ladies, Men's and Novice Singles Champs as they take on the other North Island Clubs. Good luck to each of you.

Baking is needed to keep us in goodies for the up coming events in September. The kitchen help sign up sheet for the George Gibson, Wed, Sept 8th and Thurs. Sept. 9th has been posted. Also, tea and coffee help will be needed for the club fours event Sept. 18th & 19th. There will be a dinner on Saturday Sept. 25th at the Jack & Jill as well. Lots of help needed this month. Please sign up or contact Lynn C., everyone is needed for this busy month.

Compost: This fall we are going to get rid of the debris by the back fence. Part of the clean up will be new compost boxes. The composted grass in the old boxes needs to go. Please help yourself if you want some for your gardens.

Congratulations: Not only did the Men's team win the Inter league event (and we now have the Trophy); but Parksville was also triumphant at the Parksville/Qualicum Challenge and we have to find room for another Trophy!!!
