

**THE INFORMATION BELOW IS EXCLUSIVELY FOR THE USE OF PLBC MEMBERS**

**Sunday Bowling.** We would like to see more participation in the Sunday bowling. Some people like the current format since they only want to bowl one short game, but others would prefer a longer game with no break in between. We propose to offer both during the month of August as an experiment. We have plenty of rinks available and will do a Double Draw and see how it goes. One draw will be for those people who want to do one 8 end game followed by the usual refreshments. The second draw will be for 14 end games using separate rinks. This will probably have no refreshments available afterwards since we don't want to ask the kitchen volunteers to stay on. We will see how it goes and what people prefer. Please note that whites are required for both games. Do come on out and join us and make good use of the Sunday afternoons. *Clive Arthorne - Games Committee.*

**NEW!!!! Monday League** starting August 23rd until September 27th. This will be a variant on Scotch Pairs. Each person will bowl four bowls and switch positions after each end. The same pair will play together for the entire six weeks. Please note the time has changed from evening to afternoon, starting at 1pm. The sign up sheet has been posted. Teams will be drawn, so sign up as individuals. This is a fun league for everyone. *Games Committee*

**Battle of the Sexes:** This weekend the Club Clash begins. Come and cheer the Ladies on to victory. You may support the men if you really, really must, but do so at your peril!!! Please note, the Sunday afternoon draw is cancelled.

**Dinner:** Sunday will be our first annual *Summertime Picnic*, with all the usual picnic fixings. The kitchen elves will supply the food,

you bring your own dishes, cutlery, cups, napkins etc. etc.  
Cocktails at 5pm, dinner at 6pm. Tickets are \$8.00pp. Lynn C.  
will have tickets at the club or contact her at 752 0851 or

**Bocce anyone?** The bocce courts can be used. There are bocce balls in the bowls shed. Challenge someone to a game. The courts can be used by our social members as well, not just the lawn bowlers.

**The last order** sheets of the season for club shirts, white or green, and the green vests are up on the Notices board. If you are wanting one please put your name down soon. The order will be going in the end of August. Thanks, *Sandi Mitchell*

**Thank you:** A copy of the Novices' Lawn Bowling Thank You, designed by Cheryl Baker, and presented at the Novice Tournament this week has been posted on the club web site under 2010 photos. Unfortunately, I could not get it to open as an attachment to these messages. Please take a look on the website and while you are there, check all the other interesting information.
