**PARKING WOES:** Now that summer has *finally* arrived it is expected that more bowlers will be coming to the draws and leagues. Please park as if there are lines marking parking spaces. On occasion, two cars are taking the space of three. **DO NOT PARK ON THE ROAD.** Please, go to the back, open the gate and park where there's lots and lots and lots of room. Sandi M., President

**REMINDERS:** The greens are open on Mondays at 1:00 for an informal draw or practice or you can challenge your friends to a game. The Sunday afternoon draw is cancelled for the Club Mixed Triples.

**KITCHEN HELP** will be needed this weekend for the Mixed Triples for the teas and the dinner. Dinner will be Sunday at 6pm -- a gourmet treat of Baked Ziti. In case you are not aware of this culinary delight, it is a special type of baked pasta (no, not lasagna)!! Tickets are \$8.00 and will be available in the usual manner at the club or contact Lynn at 752 0851 or [beanybop@shaw.ca](mailto:beanybop@shaw.ca). **ALSO**, baking is needed. Thanks everyone for your generous, tasty goodies.

The sign up sheet for helping in the kitchen during the Men's and Ladies Open Triples, July 31st and August 1st, will be posted soon. Everyone, male and female, are encouraged to do a shift if they can. *Lynn C., Social Director*

**MARKERS:** We will need as many Markers as possible for the Novice Singles and Men's & Ladies Singles. A clinic for anyone who wants to become a Marker; those who's qualifications have expired; and anyone who just wants a refresher and to learn of

any changes, will be held **MONDAY, JULY 19th at 1pm**. If you want to become a Certified Marker, you need to take this clinic. Anyone who's card is marked "2010" or earlier, or who does not have a card but has marked in the past, needs to be recertified. A list of names and dates will be posted on the bulletin board. The practical for new markers will be held during the Friday morning practices on the 23rd or the 30th. New markers must attend the clinic and one of the Fridays to obtain their certification. This is an interesting job and to top it off, you get the best seat in the house during these events. For more information contact Debbie L. at 954 2941.

**NOVICES:** The signup sheet for the Novice Singles, Tues. and Wed., Aug. 3rd & 4th has been posted. This is the only year you will be able to enter this event. It is the most fun of all tournaments - you will only play your fellow novices from our club, ladies against ladies; men against men. Special coaching sessions, just for novices, to show you what singles are all about, will be held for two Fridays, July 23rd and July 30th, starting at 9:30am. We encourage all of you to enter this event -- you will have a terrific time.
