Attention Wednesday League players: The last make up game for the rain delays will be held this Tuesday evening, not Wednesday. If you are unable to come Tuesday, please contact your opposition and arrange your own time. Thanks - *Games Committee*

Help is needed in the kitchen for the Open Mixed Pairs on July 9, 10 and 11th. We need a good number of volunteers for the all day teas, also BBQers for the Sat and Sun lunches of burgers and hot dogs. The sign up sheet will be on the board today.

Baking is also needed, we are running out of delicious goodies. Please feel free to call me at any time 752-0851....*Lynn C., Social Committee*

Parksville Men's and Ladies Triples: The Ladies have opted not to have playoffs for this event, instead they have agreed to -- first to apply, first to play. The list of those who will play and the spare teams should an opening occur, will be posted later this week. *Mick Banks, Games Committee*

The next Tuesday, Wednesday & Thursday Leagues start July 13th. Sign up sheets have been posted. The MacNaughton Trophy Pairs was so popular last year that we have split this into two evenings: Tuesday for the Ladies Pairs and Wednesday for the Mens Pairs. The rules regarding spares have been relaxed a little this year, check the notes on the board.

Thursday will be the fun evening mixed triples rotating pairs. Each person retains their team position of lead, second or skip but changes to a different team each week. This gives a great opportunity for any individual to shine and win a prize for best

lead, second or skip. Emphasis is on having fun. Individuals are responsible for finding their own spares where needed.

These evening leagues are open to everyone, including novices. They will run for 8 weeks; check your calendars for exact dates. The leagues fill quickly, so get your name in as soon as possible. *Clive A., Games Committee*
