

UPCOMING OPEN TOURNAMENTS

The District games chairs had a meeting to decide on the open tournaments for the upcoming year. They are listed below. This is what is planned but things could change depending on reception to the tournaments and all the rest of the stuff we have been dealing with.

Of note: The tournaments in Courtenay, unless specified, are teams of ANY mix. The Tenderfoot Tournament hosted by our club will be bowlers who started bowling in 2017 or later. Each team must have a novice. The district decided that for this year a novice is anyone who started bowling in 2020, 2021 or 2022. This will also apply to the novice singles tournament this September.

As always, you cannot enter an open tournament until 8:00am on April 15. You will email or phone the club who is hosting the tournament. Email and phone numbers will come with the official list of tournaments; this is just advanced notice for those who like to plan ahead. The dates may change.

| | | |
|-----------------|---------------------------|-----------------------------------|
