The Game

4 bowls per player. **14 ends** will be played

Standard Pairs

No trial ends

The one spot re-spot rule on the 2 metre mark will apply if the jack is pushed out of bounds during any end.

Leads may not visit the head until after both leads have delivered all four of their bowls. Skips may only visit the head when they have rink possession and after delivery of their 3rd bowl.

The draw for a team's position in the draw for all five week's games will be made immediately prior to Game 1.

For games 2 to 5, players may not practice on the rink they are assigned for this league on that day. If they are assigned to that rink for a league or draw earlier that day, that is acceptable.

Scoring

Both teams shall keep score on the provided score cards.

On completion of the game, score cards are to be verified by each skip, initialed by each skip and returned to the sunroom to allow for the Games Committee to update the standings.

3 points for a win, 1 point for a tie and 0 points for a loss. Teams will be ranked, first by game points, then by shot differential, with a limit in each game of a 10 shot differential, then if still tied, by shots for divided by shots against.

The updated standings will be posted on the Games board and on the Club calendar.

Rearranging Games and Substitute Players

In the event that one or both players are unable to play in a game, that team may ask their opponents to reschedule the game, **the rescheduled game must be played before the next regularly scheduled game**. The opponents may decline the request to reschedule, in which case the team who requested the reschedule may either:

- Arrange for substitute players, for one or both to play in their place at the scheduled date and time. The substitute's tag on the draw board, must be no higher than that of the player they are replacing. There is no limit to the number of times a player gets a substitute to play for them,
- Or, forfeit the game by the average score in all other games played in that round.

Entry Fee and Prizes

Entry fee is \$10 per team, payable at the first game.

The league winners will win personalized bag tags.

The cash remaining after deducting the cost of the bag tags and trophy engraving will be paid out as prizes. The amounts and distribution will be determined based on the total entry fees.
