Fun Card and Board Game AFTERNOON

To all members:

I am very pleased to announce that we now have a **Fun Card and Board Game Event** on a Saturday afternoon.

Over the years I have had a number of requests to have the games on an afternoon instead of a Saturday night. Please mark your calendars for this change.

If you haven't been out before, this will be an afternoon to have fun playing some different and unusual card and board games. We will not be playing bridge, crib, hearts or euchre as those are already being played on different days.

Games we have for the afternoon are the kind of games that do not need a lot of instruction or skill.....just some fun and some laughs. Some potential games to be played are: Saskatchewan Rummy, Quiddler, Sequence, Mexican Train, Crazy 8's, Golf, 5 Crowns, 7UP, Thief, Tri Ominoes. There is a different game at each table. All cards/games are supplied and are usually played by 4 or 5 players. Doesn't matter if you don't know any of the games. They are all simple, easy to follow and understand. Written rules (with home rules) are supplied.

The concept is to have a **Fun AFTERNOON** like this about once a month. Future dates to be determined based on interest..

Our first afternoon will be **Saturday November 21**
Time 1:30 PM to 4:30 PM
Cost: $2 per person

Please arrive by 1:20 PM so we can determine the number of players and you can then draw for the table you will be playing at (just like a lawn bowling draw). We have a break half way. Tea available during the break, bring your own snacks. After the break you then draw again to play at a different table.
